Subject: PRE-IMPLEMENTATION OF ASPWSA-BWSSP WASH COMPONENT IN PUBLIC SCHOOLS

Dear Dr. Bongalos:

Greetings of Prosperity!

The Department of Public Works and Highways (DPWH) is implementing the **Accelerated Water and Sanitation Project in Selected Areas (ASPWSA)**, with support from the Department of the Interior and Local Government (DILG) and external financing from the World Bank. One of the recipients of ASPWSA is the **Bohol Bulk Water Supply and Sanitation Project (BWSSP)**, which will provide potable water systems and facilities for Water, Sanitation, and Hygiene (WASH) that include toilets and handwashing facilities to eight (8) LGUs, namely: Alburquerque, Baclayon, Corella, Dauis, Loboc, Panglao, Sikatuna, and Tagbilaran City. WASH facilities will be provided to selected public schools, day care centers, and health centers.

As a recipient of WASH facilities for public schools in accordance with the Sanitation Component of the ASPWSA, the Department of Public Works and Highways (DPWH) has entered into a partnership with the Department of Education (DepEd) in undertaking the preparation, planning, and implementation of the said component. Attached herewith is the Certification of Partnership from DepEd Central Office with the list of recipient schools.

The Provincial Government of Bohol is now in the process of conducting surveys of the existing WASH facilities in the selected schools. In view of the said activity, may we therefore request your good office to inform the respective School Principals of recipient schools that representatives from the Provincial Government of Bohol (PGBh) will be visiting your respective schools for the conduct of surveys and inspection of their existing WASH facilities within the month of October 2026.

For inquiries about this activity, you may coordinate with the Provincial Planning and Development Office (PPDO) thru Engr. Christopher H. Uy at 09618326999.

We look forward to your favorable response on this matter.

Thank you.
