Republic of the Philippines
Department of Education
REGION VII - CENTRAL VISAYAS
DIVISION OF CITY SCHOOLS - TAGBILARAN CITY

Office of the Schools Division Superintendent

DIVISION MEMORANDUM
No. 952 , s. 2026

November 10, 2026

PRESENTATION OF LEARNING MATERIALS TO SIIF RECIPIENT SCHOOLS

TO: Assistant Schools Division Superintendent
Chief, CID and SGOD
Education Program Supervisors
All Public Elementary and Secondary Principals
All Others Concerned

1. In support of the implementation of the School Innovation and Improvement Fund (SIIF), LGO Corporation (LGO Corp) will conduct school visits to present and share available learning materials, instructional resources, and other relevant materials that may support schools in developing and implementing their respective school innovation and improvement initiatives.

2. During the school visits, representatives of LGO Corp, may present the features, intended educational applications, and potential benefits of the materials and resources. The presentation shall be limited to the sharing of relevant educational information and shall limited to the sharing of relevant educational information and shall not be construed as an endorsement, accreditation, or recommendation by the Department of Education of the company's products or services.

3. In this regard, all concerned are reminded to strictly observe the following legal bases and policy provisions against the commercialization of the Department of Education:

a. DECS Order No. 28, s. 2001, entitled Prohibiting the Commercialization of the DECS Organization Through Endorsements and Accreditation of Goods and Services;

4. Immediate dissemination of and strict compliance with this Memorandum are hereby directed.

Subject: Request for Meeting and Permission to Present Learning Materials to SIIF Recipient Schools in Tagbilaran City

Dear Dr. Fay:

Greetings from **Learningway Global Options Corporation (LGOC)**.

Learningway Global Options Corporation is an educational solutions company engaged in providing **supplementary learning resources and technology-enhanced educational materials** to schools and learning institutions throughout the Philippines. Our product portfolio combines **traditional print-based resources with interactive and digital learning technologies**, including activity books, multimedia learning materials, interactive resources, digital platforms, and other technology-enhanced educational solutions designed to complement classroom instruction and support improved learner outcomes.

LGOC is led by individuals with extensive experience in education, science, and educational publishing and distribution. Our Chairman, **Dr. Gerardo C. Janairo**, is a former Chancellor of De La Salle University-Manila, a distinguished chemist, scientist, and educator, and a recipient of several recognitions for his contributions to science and education. Our President, **Mr. Renato D. Yanos**, has been in the educational publishing and product distribution industry for nearly five decades, bringing extensive experience in providing educational resources to schools and institutions in the Philippines and abroad.

In this connection, we respectfully request an opportunity to meet with your good office to **present our learning materials that may support school initiatives under the School Innovation and Improvement Fund (SIIF), pursuant to DepEd Memorandum No. 048, s. 2026**. For the SIIF, we are particularly interested in presenting our **Activity Books for Grades 1, 4, and 7**. These materials are organized following a **trimester approach** and are designed to provide

learners with structured activities for practice, reinforcement, application, and assessment of the competencies taught in the classroom.

Based on the official list under **DM No. 048, s. 2026**, the **Schools Division of Tagbilaran City has 591 SIIF recipient schools**, covering the different districts throughout the Division.

Considering the number of schools involved and the geographical coverage of the Division, we respectfully seek **your permission to visit and coordinate with the school principals and school heads of the SIIF recipient schools throughout Tagbilaran City**. Our intention is to personally present the actual materials so that the school heads may examine their contents and determine their relevance to their respective learners, school needs, and planned SIIF interventions.

We fully recognize that the identification of school needs, selection of appropriate interventions and learning resources, and any subsequent procurement remain the responsibility of the concerned schools and are subject to applicable **DepEd policies and government procurement, accounting, and auditing rules**. Our request is for the opportunity to properly introduce and present the materials to the school heads for their evaluation and consideration.

We would therefore be grateful for **a brief meeting at your most convenient time** to personally present our materials and discuss how we may properly coordinate with the **591 SIIF recipient schools under the Schools Division of Tagbilaran City**.

We sincerely hope for your favorable consideration and permission to visit and coordinate with the concerned school principals. For our initial presentation, we would like to focus on our **Activity Books and Reading Kits**, which are intended to provide learners with structured opportunities for reading development, practice, reinforcement, and application of classroom learning. We look forward to the opportunity to present these materials to the school heads for their evaluation and consideration in support of their respective **SIIF initiatives and efforts to improve learner performance and learning outcomes**.

Thank you very much for your time and consideration.

Very truly yours,

SYLVIA R. TAMIDLES
